

COMMUNITY CANVAS

Ready to channel your creativity? Join us to transform a blank space into a tapestry of our community's story. Dive into discovery, hands-on design, and collaborative painting while building real-world skills along the way. No experience? No problem. All you need is an open mind, a willing hand, and a heart ready to create.

Term 2

Theme: Creative Futures

What You'll Be Doing:

- **Mural Exploration & Planning:** Embark on a local mural treasure hunt to explore diverse styles, then collaboratively design a mural using materials that flow with architectural features.
- **Hands-On Execution:** Work together to paint a large-scale mural – navigating real world challenges like weather, texture, and evolving feedback – culminating in a celebratory unveiling event.

What You'll Gain:

- **Visual Storytelling:** Develop the skills to craft impactful visuals and design narratives that transform public spaces and capture community stories.
- **Adaptive Project Management:** Hone your ability to solve on-site challenges, manage time effectively, and adapt creatively throughout the mural installation process.
- **Community Engagement & Leadership:** Build skills in collaborative leadership by uniting diverse voices and guiding the collective process of creating public art.

What We'll Create:

- **A Wonder Wall:** A striking, large-scale mural that embodies our collective creative spirit and transforms public space into a canvas of community expression.
