

ESPRESSO YOURSELF

The time has come to ignite a space where coffee, connection, and creativity collide. Welcome to The Café Project – your mission to build more than just a café, but a hub of warmth, purpose, and endless possibilities. Together, we'll create a sanctuary for dreamers and doers, where every cup brewed sparks a revolution of ideas and community spirit.

Term 2

Theme: Enterprising Futures

What You'll Be Doing:

- **Collaborate with Professionals:** Learn from culinary experts and industry leaders.
- **Engage with the Community:** Interact with the general public and the Youth Inc. community through our café, creating connections and building relationships.
- **Real-World Work Experience:** Gain practical experience in a real-world work environment, developing essential skills for your future career.

What You'll Gain:

- **Earn Certification:** Achieve 2 units of VET competencies from Cert. III in Hospitality and/or Business (Prepare and Serve Espresso, Food Hygiene), enhancing your qualifications and career prospects.
- **Develop Entrepreneurial Skills:** Understand the basics of activating a business from scratch, including managing profits, controlling costs, and developing an entrepreneurial mindset.
- **Enhance Your Resume:** Build skills and knowledge in business management and teamwork, making your resume stand out to potential employers.

What We'll Create:

- **Create a Community Hub:** Build a vibrant space where coffee, connection, and creativity come together, fostering warmth, purpose, and endless possibilities, while developing a fully operational business that embodies sustainability and community engagement.
