

MUSIC & ME

Music isn't just sound, it's identity, emotion, and connection. Here, you'll explore how your musical choices and experiences have shaped who you are and how you connect with others. Whether through listening, performing, composing, or other creative responses, you'll unpack perspectives, experiment with new skills, and share your stories. Together, we'll turn personal soundtracks into powerful expressions that celebrate individuality and community.

Term 1

Theme: Creative Futures

What You'll Be Doing:

- **Discover Your Soundtrack:** Explore how music influences identity through listening, performing, composing, and creative responses.
- **Learn from Local Artists:** Connect with local musicians and artists to gain new perspectives.
- **Creative Partnerships:** Work with peers to plan and present your explorations and self-expressions in a variety of formats.

What You'll Gain:

- **Self-Awareness:** Build confidence in expressing identity and values through music.
- **Brand New Skillsets:** Develop practical abilities in composition, performance, analysis, and production.
- **Community in Action:** Strengthen teamwork and communication while sharing stories through music.

What We'll Create:

- **Musical Exhibition:** Present your chosen musical fields and self-expressions in a public showcase for peers and community.
