

REVAMP REVOLUTION

Got a rebellious spirit and a passion for art and sustainability? Join us in transforming the outdoor area of The Mill into a functional, inviting artsy outdoor community area. Let's take waste and turn it into something extraordinary, making a lasting impact on our community arts space!

Term 1

Theme: Creative Futures

What You'll Be Doing:

- **Teaming Up with The Mill and Associates:** Work alongside an incredible network of artists, industry professionals, and environmental leaders.
- **Creating a Functional Outdoor Space:** Design and build a space that's perfect for creativity and sustainability, for The Mill and our Youth Inc. community!

What You'll Gain:

- **Artistic and Environmental Skills:** Learn how to combine creativity with sustainability to create meaningful art and functional spaces.
- **Community and Professional Connections:** Collaborate and learn from and about different artists, environmentalists, and professionals to make a lasting impact.
- **Event Planning Experience:** Be part of organising the opening celebration, inviting key partners and stakeholders.

What We'll Create:

- **An Inviting Outdoor Space:** An arty space and outdoor area that promotes recycling and sustainability, launched by an “artyparty” event to celebrate our achievements.
